

Knights of Columbus Wyoming State Council

Worthy Grand Knight,

Are you proud of your council? What activities has your council done that you are proud of? Does any member seem to represent what it means to be a servant? Which member exemplifies living a sacramental marriage? Do you want to help others to be better Knights? Better Catholics? Take a few moments to share some of the awesome things your council has done this past fraternal year. Your program may be just what the doctor ordered for that council across the state that is struggling in a certain area. The program that is "old hat" to you might be the thing that shows a council the map to achieving Star Council, or maybe just getting a few new members to help with next project.

Each year, before the start of the state convention, the past state deputies are privileged to gather as the Awards Committee to choose from the various council's programs, and to highlight one in each of the 6 program areas; Family, Community, Council, Church, Youth, and Culture of Life. The Awards Committee also decides on the Family and Knight of the Year Award.

All councils are urged to participate in a minimum of one (any) and a maximum of all areas by submitting their single best entry in each program area as well as Knight and Family of the year. (Please grand knights, you or your council judge what is your best, the past state deputies will judge what is the state's best).

To insure that your entries are on time please submit to arrive in Pat's hands no later than April 21, 2018. If mailing, please send to:

Patrick Doherty, PSD
Awards Chairman
900 N. Elm Ave
Gillette, WY 82716

Email: patdkc@vcn.com
or Pat.Doherty@kofc.org

For your program entries please use form #STSP, the State Council Service Program Awards Entry form as a cover for your report. Please don't feel limited to the STSP form; we encourage you to submit additional pages and photos (a picture is worth a 1000 words). The STSP form can be found in pdf formant at <http://kofc.org/un/en/members/resources/forms/council.html> or you can find it in your Report Forms booklet.

Please use the Family of the Year Entry form which can be found at the above link or in the Family of the Month booklet. Once again please don't feel limited by the form; please submit additional pages and photos.

The Knight of the Year is a state program, so no form as a cover is necessary.

I should note here that please do not submit any original certificates or media that must be returned; for instance you should have copies made to submit of family photos in the Family or Knight of the Year submission.

Okay, I have given you the how; now it's up to you! Submit your council's best!
Hope to see you in Douglas!

Fraternally,
Patrick Doherty, PSD
Awards Chairman
