**“Religiously Devoted, Patriotically Proud**

We do not want to make the Candidates’ nor the Exemplification Team’s day any longer than necessary, and the times recommended seem to be reasonable using the new Exemplification format. Obviously, there may need to be adjustments based on local situations, and this will be the responsibility of the Host Assembly. When the actual schedule is set, it must be approved by the District Master. Copies will then be sent statewide to the State Deputy, District Deputies and Faithful Navigators by the District Master. The Host Assembly, along with the District Master, will have the responsibility of getting the final schedule out to Local Councils and prospective Candidates.

District Master will share in expenses for these activities with Host Assembly up to \$50.00. Meals will be paid for Candidates, Dignitaries, District Marshal and District Master at a maximum of \$15.00 each. \$5.00 per candidate will be deducted to alleviate expenses for printing certificates and providing 4th Degree packets for new Sir Knights. The Host Assembly will provide the meal for the Exemplification Team. District Master will be responsible for mileage of \$.30 per mile, both ways, of the team. Car pooling is expected, and any extra vehicles used must be pre-approved. A reasonable amount may be charged for the meal by the Host Assembly for all other guests.
